## **PRE-ASSEMBLY:**

- Please read all instructions before beginning assembly.
- For your safety and ease, assembly by two adults is recommended.
- Remove all parts and hardware from box and lay out on a carpeted or scratch-free work surface, as this will avoid damaging any parts during assembly. The shipping box provides an ideal work surface.
- Do not dispose of any contents until assembly is completed to avoid accidentally discarding small parts or hardware.
- Use the parts and hardware lists to identify and separate each of the pieces included.
- Note: Do not fully tighten all bolts until all parts are in place. Failure to follow these instructions may cause the bolts to misalign during assembly.
- The use of power tools for assembly is not recommended. Power tools can damage hardware or split wood.

## **ASSEMBLY INSTRUCTION:**

1. Slowly turn the dresser upright. If the dresser doesn't sit level, please adjust the levelers under legs. Assembly is completed.

## **CARE INSTRUCTION:**

- Dust often using a clean, soft, dry lint-free cloth.
- Blot spills immediately, and wipe with a clean, damp, cloth.
- We do not recommend the use of chemical cleansers, abrasives or furniture polish.
