### IMPORTANT SAFETY INSTRUCTIONS:

- Please read all instructions carefully before assembling.
- For your safety, assembly by two adults is recommended.

### PRE-ASSEMBLY:

- Remove all parts and hardware from the box and lay out on a clean, carpeted, or scratch-free work surface, as this will avoid damaging any parts during assembly. The shipping box provides an ideal work surface.
- Do not dispose of any contents until assembly is completed to avoid accidentally discarding small parts or hardware.
- Use the parts and hardware lists above to identify and separate each of the pieces included.
- The illustrations provided allow for easier assembly when used in conjunction with the assembly instructions.
- Note: Do not fully tighten all bolts until all parts are in place. Failure to follow these instructions may cause the bolts to misalign during assembly.
