

Birthday Party Straw Decor Template

Add bright color and playful shapes to the party table with decorative straws featuring festive prints kids love. Our easy-to-make decor turns a simple straw into a fun party keepsake.

Completion

Tools & Materials

Cardstock
Glue
Craft Scissors

Instructions

1. Print the template onto heavyweight paper or cardstock.
2. Cut out the templates using craft scissors.
3. Cut a small slit along the black line at the top and bottom of each template.
4. Thread the straw through the two slits.
