RILEY DRESSER

PRE-ASSEMBLY:

- Read all instructions before beginning assembly. The illustrations provided allow for easier assembly when used in conjunction with the assembly instructions.
- For your safety and ease, assembly by two adults is recommended.
- Remove all parts and hardware from the box and lay out on a clean, carpeted, or scratch-free work surface. Use care as some parts or hardware may have sharp points or edges.
- Do not dispose of any contents until assembly is completed to avoid accidentally discarding small parts or hardware.
- Use the parts and hardware lists to identify and separate each of the pieces included.
- Note: Do not fully tighten all bolts until all parts are in place. Failure to follow these instructions may cause the bolts to misalign during assembly.
- The use of power tools for assembly is not recommended. Power tools can damage hardware or split wood.
