PRE-ASSEMBLY:
• Read all instructions before beginning assembly. The illustrations provided allow for easier assembly when used in conjunction with the assembly instructions.
• For your safety and ease, assembly by two adults is recommended.
• Remove all parts and hardware from the box and lay out on a clean, carpeted, or scratch-free work surface. Use care as some parts or hardware may have sharp points or edges.
• Do not dispose of any contents until assembly is completed to avoid accidentally discarding small parts or hardware.
• Use the parts and hardware lists to identify and separate each of the pieces included.
• Note: Do not fully tighten all bolts until all parts are in place. Failure to follow these instructions may cause the bolts to misalign during assembly.
• The use of power tools for assembly is not recommended. Power tools can damage hardware or split wood.

PARTS INCLUDED:
A. Back Panel (solid) = 1 pc
B. Front Panel (with frame) = 1 pc
C. Side Panel = 2 pcs
D. Side Bottom Board with protruding edge (and caster holes) = 2 pc
E. Center Bottom Board with Sunken Edge = 1 pc
F. Wooden Bottom Board Support = 2 pcs

HARDWARE INCLUDED:
G. Cam lock Casing Ø15x25 mm = 8 pcs
H. Cam lock Bolt Ø6x62 mm = 8 pcs
I. Wooden Dowel Ø8x35 mm = 22 pcs
J. Short Screw PCS Ø7x7/8 Inch = 34 pcs
K. Long Screw PCS Ø7x1¼ Inch = 12 pcs
L. Caster = 6 pcs
M. Allen Key = 1 pc

TOOLS REQUIRED:
Phillips screwdriver (not included)
ASSEMBLY INSTRUCTIONS:

1. Insert (7) Wooden Dowels (I) into the pre-drilled holes on both ends and top of each Wooden Bottom Board Support (F).

   ![Diagram 1](image1)

2. Position the Side Bottom Boards (D) on either side of the Center Bottom Board (E) as shown. Attach the wooden bottom board support (F) by aligning the exposed dowels onto the predrilled holes. Then, insert the 12 Long Screws (K) through the Cross Bars (F) & secure using a screwdriver (not included).

   ![Diagram 2](image2)

3. Insert (4) Cam lock Bolts (H) into the pre-drilled holes in the Front and Back Panels (A and B), and screw clockwise to tighten using screwdriver. (Figure 3).

   ![Diagram 3](image3)
4. Insert (2) Wooden Dowels (I) into the pre-drilled holes on both ends of each Side Panel (C).

(fig.4)

5. Turn bottom board assembly right side up. Insert the edges on the Bottom Boards into the cutout grooves on the Side Panels (C). Attach the Side Panels (C) to the Back panel (A), (as shown in Figure 5). Insert (2) Camlock Casings (G) into the openings on each Side Panel (C) and tighten using the Allen Key (M). Repeat this step to assemble the Side Panels (C) to the Front Panel (B).

(fig.5)
6. Secure the Side Panels (C) to the Bottom Boards (D & E) with (10) Short Screws (J) into the pre-drilled holes underneath the Trundle, as shown in Figure 6.

(fig.6)

7. Attach the (6) Casters (F) into the predrilled holes on the Bottom Boards using 24 Short Screws (J).

(fig.7)

CARE INSTRUCTIONS:
- Dust often using a clean, soft, dry lint-free cloth.
- Blot spills immediately, and wipe with a clean, damp, cloth.
- We do not recommend the use of chemical cleansers, abrasives, or furniture polish on our lacquered finish.
- Do not stand on trundle.
