pottery barn kids
NEWPORT TRUNDLE

PRE-ASSEMBLY:
• Read all instructions before beginning assembly. The illustrations provided allow for easier assembly when used in conjunction with the assembly instructions.
• For your safety and ease, assembly by two adults is recommended.
• Remove all parts and hardware from the box and lay out on a clean, carpeted, or scratch-free work surface. Use care as some parts or hardware may have sharp points or edges.
• Do not dispose of any contents until assembly is completed to avoid accidentally discarding small parts or hardware.
• Use the parts and hardware lists to identify and separate each of the pieces included.
• Note: Do not fully tighten all bolts until all parts are in place. Failure to follow these instructions may cause the bolts to misalign during assembly.
• The use of power tools for assembly is not recommended. Power tools can damage hardware or split wood.

PARTS INCLUDED:
A – Long side panel (2)
B – Short side panel (2)
C – Left and Right Board (with extra holes) (2)
D – Center Bottom Board (1)
E – Cross bar (2)

HARDWARE INCLUDED:
F – Allen Key (1)
G – Long bolt 1/4"x2-1/2"x13.5mm (8)
H – Barrel nut 1/4"x15x9.5mm (8)
I – Large Phillips head screw 8x38mm (12)
J – Small Phillips head screw 8x25mm (10)
K – Pan head screw 8x17mm (24)
L – Caster 50x50x65mm (6)

TOOLS REQUIRED:
Phillips screwdriver (not included)
ASSEMBLY:

1. Place the left and right bottom panel (C) on either side of the Center bottom board (D) with the pre-drilled holes facing up as shown. Attach Cross bar (E) to the bottom boards by inserting Large Phillips head screw 8x38mm (I) into the pre-drilled holes of each cross bar, tightening with a phillips screwdriver.

2. Turn assembled base right side up, insert the wooden dowels on the ends of the Cross bars (E) into the pre-drilled holes on the Long side panel (A) as shown. Press firmly to ensure the left and right Bottom boards (C) sit in the slots of the Long side panel (A).

3. Align the pre-drilled holes on the Short side panel (B) to the wooden dowels on ends of the Long side panel (B). Insert the Allen bolts (G) into the pre-drilled holes on the Short side panel (B). Place a barrel nut (H) in the corresponding opening on the Long side panel (B). Use the Allen key (F) to connect as shown. Repeat with the remaining bolts.
4. Turn trundle upside down. Secure bottom boards with the Long/Short side panel using the Small Phillips Head screws 8x25mm (J).

5. Attach the Caster (L) to pre-drilled holes on the Bottom Board using Pan head screw 8x17mm (K).

CARE INSTRUCTIONS:
- Dust often using a clean, soft, dry lint-free cloth.
- Blot spills immediately, and wipe with a clean, damp, cloth.
- We do not recommend the use of chemical cleansers, abrasives, or furniture polish on our lacquered finish.

Thank you for your purchase.
